**DELTA DENTAL OF MINNESOTA
NOTICE OF INFORMATION PRACTICES**

THIS NOTICE DESCRIBES HOW MEDICAL INFORMATION ABOUT YOU MAY BE USED AND DISCLOSED AND HOW YOU CAN GET ACCESS TO THIS INFORMATION. PLEASE REVIEW IT CAREFULLY.

Delta Dental of Minnesota is required by law to maintain the privacy of your Protected Health Information, to provide you with this notice of its legal duties and privacy practices with respect to your Protected Health Information and to notify you following a breach of unsecured Protected Health Information. This notice is being issued to comply with the requirements of the Privacy Rules under the Health Insurance Portability and Accountability Act (“HIPAA Privacy Rules”). Individually identifiable information about your past, present or future health condition, the provision of health care to you, or payment for such health care is considered “Protected Health Information” (“PHI”). Health care includes dental care.

Our Permitted Uses and Disclosures of Your Protected Health Information

We use and disclose PHI about you without your authorization for treatment, payment, and health care operations.

Treatment: We may disclose PHI to your dentist(s) for treatment purposes. For example, your dentist may wish to provide a dental service to you but first seek information from us as to whether the service has been previously provided.

Payment: We use and disclose your PHI in order to fulfill our duty to provide your coverage, determine your benefits, and make payment for services provided to you. For example, we use and disclose your PHI in order to process your claims.

Health Care Operations: We use and disclose your PHI as a part of certain operations, such as quality improvement. For example, we may use and disclose your PHI to evaluate the quality of dental services that were performed or to check for fraud and abuse.

We may not, however, use or disclose any PHI that is considered genetic information under Federal Law for underwriting purposes.

We may be asked by the sponsor of your dental benefits to provide your PHI to the sponsor. We will do so if permitted by law.

Unless you object, we may disclose your PHI to a family member, other relative, person authorized by law, or any other person you identify as involved in your care or the payment related to your care. Only PHI relevant to that person’s involvement in your care or the payment related to your care will be disclosed. You can restrict this disclosure at any time, subject to certain limitations. If you are incapacitated or in the event of an emergency, we will exercise professional judgment to determine whether a disclosure of this type is in your best interest.

We may also use or disclose your PHI without your authorization for several other reasons. Subject to certain requirements, we may use or disclose your PHI without your authorization for public health purposes, auditing purposes, research studies, and emergencies. We may disclose PHI in response to a court or administrative order, subpoena, discovery request or other lawful process if certain conditions are met and the required assurances are received. We provide PHI when otherwise required by law, such as for law enforcement purposes. We may disclose your PHI to public health or other appropriate authorities to lessen a serious or imminent threat to the health or safety of you or the public. In other situations not

described here, we will ask for your written authorization before using or disclosing your PHI. If you choose to sign an authorization to allow disclosure of your PHI, you can later revoke that authorization to stop any future uses and disclosures (other than for treatment, payment and health care operations).

We reserve the right to change this notice at any time and for any reason. We reserve the right to make the revised or changed notice effective for PHI we currently maintain as well as any information received in the future. A copy of our most current notice will be posted at www.deltadentalmn.org.

Individual Rights

In most cases, you have the right to view or get a copy of your PHI which is held in a particular record set by us. You may request copies for a nominal per-page charge. You also have the right to receive a list of instances where we have disclosed your PHI without your written authorization for reasons other than treatment, payment or health care operations. If you believe that information in your record is incorrect or if important information is missing, you have the right to request that we correct the existing information or add the missing information.

You may request in writing that we not use or disclose your PHI for treatment, payment and health care operations except when specifically authorized by you, when required by law, or in emergency circumstances. We will consider your request but are not legally required to accept it. You also have the right to receive confidential communications of PHI by alternative means or at alternative locations, if you clearly state that disclosure of all or part of your PHI could endanger you. You also have the right to receive notice following an unauthorized access, use or disclosure of your PHI if that unauthorized access, use or disclosure is considered a "breach" as defined by the HIPAA Privacy Rules.

You may also send a written complaint to the U.S. Department of Health and Human Services. The person listed below can provide you with the appropriate address upon request.

SUMMARY OF DENTAL BENEFITS

After you have satisfied the deductible, if any, your dental program pays the following percentages of the treatment cost, up to a maximum fee per procedure. The maximum fee allowed by Delta Dental is different for Delta Dental PPO dentists, Delta Dental Premier dentists and nonparticipating dentists. If you see a nonparticipating dentist, your out-of-pocket expenses may increase.

<u>Service Category</u> <u>Description</u>	<u>Delta Dental PPO</u> <u>Dentists</u>	<u>Delta Dental Premier</u> <u>Dentists</u>	<u>Nonparticipating</u> <u>Dentists</u>

Benefit Maximums

The Program pays up to a maximum of \$3,000.00 for each Covered Person per Coverage Year subject to the coverage percentages identified above for all services except Prosthetics and Prosthetic Repairs and Adjustments. The Benefit Maximum does not apply to Diagnostic and Preventive Services.

Prosthetics and Prosthetic Repairs and Adjustments are subject to a separate benefit maximum of \$3,000 for each Coverage Person per Coverage year subject to the coverage percentages identified above.

Orthodontics is subject to a separate lifetime maximum of \$1,500.00 per Covered Person and limited to those orthodontic treatment plans commenced on or after the Eligible Covered Person's eighth (8th) birthday. Because orthodontic treatment normally occurs over a long period of time, benefit payments are made over the course of treatment. The Covered Person must remain eligible under the Plan in order to receive continued benefit payments. Adults are covered for Orthodontic Services under this Plan.

Deductible

There is a \$25.00 deductible per Covered Person each Coverage Year not to exceed three (3) times that amount (\$75.00) per Family Unit.

The deductible does not apply to Diagnostic and Preventive or Orthodontic Services.

Coverage Year

A Coverage Year is a 12-month period in which deductibles and benefit maximums apply. Your Coverage Year is January 1 to December 31.

DESCRIPTION OF COVERED PROCEDURES

Pretreatment Estimate (Estimate of Benefits)

IT IS A GOOD IDEA TO GET A PRETREATMENT ESTIMATE FOR YOUR DENTAL CARE THAT INVOLVES MAJOR RESTORATIVE, PERIODONTICS, PROSTHETIC OR ORTHODONTIC CARE. THE PRETREATMENT ESTIMATE IS RECOMMENDED, BUT NOT REQUIRED FOR YOU TO RECEIVE BENEFITS FOR COVERED DENTAL CARE. THE PRETREATMENT ESTIMATE IS A VALUABLE TOOL FOR BOTH THE DENTIST AND YOU. SUBMISSION OF A PRETREATMENT ESTIMATE ALLOWS THE DENTIST AND YOU TO KNOW WHAT BENEFITS YOU HAVE AND IF THE TREATMENT IS COVERED. THE PRETREATMENT ESTIMATE OUTLINES WHAT YOU HAVE TO PAY TO THE DENTIST, SUCH AS CO-PAYMENTS AND DEDUCTIBLES. IT ALLOWS THE DENTIST AND YOU TO MAKE ANY NECESSARY FINANCIAL ARRANGEMENTS BEFORE YOUR TREATMENT BEGINS. THIS PROCESS DOES NOT PRIOR AUTHORIZE THE TREATMENT NOR DETERMINE ITS DENTAL OR MEDICAL NECESSITY. THE ESTIMATED PAYMENT IS BASED ON YOUR ELIGIBILITY AND CONTRACT BENEFITS IN EFFECT AT THE TIME OF THE ESTIMATE. THIS IS AN ESTIMATE ONLY. FINAL PAYMENT WILL BE BASED ON THE CLAIM THAT IS SUBMITTED ONCE THE TREATMENT IS COMPLETED. SUBMISSION OF OTHER CLAIMS, A CHANGE IN ELIGIBILITY, A CHANGE IN YOUR COVERAGE, OR OTHER COVERAGE YOU HAVE MAY ALTER THE PAYMENT.

After the exam, your dentist will tell you the dental treatment that should be given. If the dental treatment involves major restorative, periodontic, prosthetic or orthodontic care, the dentist should submit a claim form to the Plan for the proposed treatment. The Plan will review and determine if the treatment is covered and estimate the amount of payment.

A Pretreatment Estimate of Benefits statement will be sent to you and your dentist. You will be responsible to pay for any deductibles and coinsurance amounts. You will also be responsible to pay for any dental treatment that is not considered a covered service under the Plan.

Benefits

The Program covers the following dental procedures when they are performed by a licensed dentist and when necessary and customary as determined by the standards of generally accepted dental practice. The benefits under this Program shall be provided whether the dental procedures are performed by a duly licensed physician or a duly licensed dentist, if otherwise covered under this Program, provided that such dental procedures can be lawfully performed within the scope of a duly licensed dentist.

As a condition precedent to the approval of claim payments, the Plan shall be entitled to request and receive, to such extent as may be lawful, from any attending or examining dentist, or from hospitals in which a dentist's care is provided, such information and records relating to a Covered Person as may be required to pay claims. Also, the Plan may require that a Covered Person be examined by a dental consultant retained by the Plan in or near the Covered Person's place of residence. The Plan shall hold such information and records confidential.

TO AVOID ANY MISUNDERSTANDING OF BENEFIT PAYMENT AMOUNTS, ASK YOUR DENTIST ABOUT HIS OR HER NETWORK PARTICIPATION STATUS WITHIN THE DELTA DENTAL PPO AND DELTA DENTAL PREMIER NETWORKS PRIOR TO RECEIVING DENTAL CARE.

Delta Dental of Minnesota performs dental necessity reviews to determine whether a service submitted for payment or benefit under this Plan is a dental procedure that is dentally necessary to treat a specific condition or restore dentition for an individual. It is Delta Dental of Minnesota's policy that a licensed dentist reviews claims where a dental necessity determination is made, and denies the oral health service where dental necessity has not been demonstrated. Denials based solely on coverage specifications, limitations, and exclusions under the enrollee's contract are not

considered utilization review and not evaluated for dental necessity. Delta Dental of Minnesota evaluates dental procedures submitted to determine if the procedure is a covered benefit under your dental plan. Your dental Plan includes a preset schedule of dental services that are eligible for benefit by the Plan. Other dental services may be recommended or prescribed by your dentist which are dentally necessary, offer you an enhanced cosmetic appearance, or are more frequent than covered by the Plan. While these services may be prescribed by your dentist and are dentally necessary for you, they may not be a dental service that is benefited by this Plan or they may be a service where the Plan provides a payment allowance for a service that is considered to be optional treatment. If the Plan gives you a payment allowance for optional treatment that is covered by the plan, you may apply this Plan payment to the service prescribed by your dentist which you elected to receive. Services that are not covered by the Plan or exceed the frequency of Plan benefits do not imply that the service is or is not dentally necessary to treat your specific dental condition. You are responsible for dental services that are not covered or benefited by the Plan. Determination of services necessary to meet your individual dental needs is between you and your dentist.

ONLY those services listed are covered. Deductibles and maximums are listed under the Summary of Dental Benefits. Services covered are subject to the limitations within the Benefits, Exclusions and Limitations sections described below. For estimates of covered services, please see the "Pretreatment Estimate" section of this booklet.

Before treatment begins, the treating dentist should submit a Pre-treatment Estimate. An Estimate of Benefits form will be sent to you and your dentist indicating the estimated plan payment amount. This form serves as a claim form when treatment begins.

When treatment begins, the dentist should submit the Estimate of Benefit form with the date of placement and his/her signature. After benefit and eligibility verification by the Plan, a benefit payment will be issued. A new/revised Estimate of Benefits form will also be issued to you and your dentist. This again will serve as the claim form to be submitted 6 months from the date of appliance placement.

ELIGIBILITY

Covered Persons under this Program are:

Employees

- a) All eligible employees who have met the eligibility requirements as established by the Client and stated within this Dental Benefit Plan Summary under Effective Date of Coverage.
- b) Employees on Family and Medical Leave as mandated by the Federal FMLA.

Dependents

A) Spouse, meaning:

1. Married;
2. Legally separated;

B) Dependent children to the age of 26, including:

1. Natural-born and legally adopted children (including children placed with you for legal adoption).
NOTE: A child's placement for adoption terminates upon the termination of the legal obligation of total or partial support.
2. Stepchildren and any other child for whom the employee has legal guardianship and who reside with the employee.
3. Grandchildren who are financially dependent on you and reside with you.
4. Children who are required to be covered by reason of a Qualified Medical Child Support Order. You can obtain, without charge, a copy of procedures governing Qualified Medical Child Support Orders ("QMCSOs") from the Plan Administrator.
5. Children who become handicapped prior to reaching the Plan's limiting age if:
 - they are primarily dependent upon you; and
 - are incapable of self-sustaining employment because of physical handicap, mental retardation, mental illness or mental disorders

NOTE: If both you and your spouse are employees of the employer, you may be covered as either an employee or as a dependent, but not both. Your eligible dependent children may be covered under either parent's coverage, but not both.

Effective Dates of Coverage

Eligible Employee:

You are covered under this Program when the Program first became effective, August 1, 1999, or if you are a new employee of the Client and work a minimum of 30 hours per week, on the first of the month following ninety (90) days of employment.

Rehire Provision:

An employee who was enrolled and returns to work within six months of termination does not need to meet a new probationary period upon rehire. Coverage becomes effective on the date of rehire.

Eligible Dependents:

Your eligible dependents, as defined, are covered under this Program:

- a) On the date you first become eligible for coverage, if dependent coverage is provided or elected.
- b) On the date you first acquire eligible dependents, or add dependent coverage subject to the annual enrollment requirements of the Client, if any.
- c) On the date a new dependent is acquired if you are already carrying dependent coverage.

LIMITATION: Dependents of an eligible employee who are in active military service are not eligible for coverage under the Program.

Children may be added to the Program at the time the eligible employee originally becomes effective or may be added anytime up to 30 days following the child's 3rd birthday. If a child is born or adopted after the employee's original effective date, such child may be added anytime between birth (or date of adoption) and 30 days following the child's 3rd birthday. In the event that the child is not added by 30 days following their 3rd birthday, that child may be added only if there is a Family Status Change or at the next Annual Enrollment period, if any.

The eligibility of all Covered Persons, for the purposes of receiving benefits under the Program, shall, at all times, be contingent upon the applicable monthly payment having been made for such Covered Person by the Client on a current basis.

Annual Enrollment

Application for coverage may also be made during the annual enrollment period for employees who have satisfied their waiting period and who previously waived coverage or who want to add a new dependent. Annual enrollment occurs in November of each calendar year. Coverage will be effective January 1st of the following year for an employee or dependent that enrolls during annual enrollment.

Family Status Change

Your benefit elections are intended to remain the same for the entire Coverage Year. During the Coverage Year, you will be allowed to change your benefits only if you experience an eligible Family Status Change which includes:

- Change in legal marital status such as marriage or divorce.
- Change in number of dependents in the event of birth, adoption, or death.
- Change in your or your spouse's employment - either starting or losing a job.
- Change in your or your spouse's work schedule, such as going from full-time to part-time or part-time to full-time, or beginning or ending an unpaid leave of absence.
- Change in dependent status, if a child reaches maximum age under the Plan.

- Change in residence or work location so you are no longer eligible for your current health plan.
- Become eligible for Medicare, Medicaid or Children's Health Insurance Program (CHIP) coverage.
- Termination of Medicare, Medicaid or Children's Health Insurance Program (CHIP) coverage because you or your dependents are no longer eligible.

Due to federal regulations, the changes you make to your benefits must be consistent with the Family Status Change event that you experience. For example, if you have a baby, it is consistent to add your newborn to your current dental coverage but it not consistent to drop your dental coverage altogether.

If you experience one of the following eligible Family Status Changes during the year, you have 31 days (except in the case of qualification for or termination of employment assistance under Medicaid/CHIP, in which case the employee has 60 days after the date of eligibility) from the event to change your elections. If you do not change your benefits within 31 days of the event, you will not be allowed to make changes until the next Annual Enrollment period. You may obtain a Family Status Change Form by contacting your Employer. All changes are effective the date of the change.

The Uniformed Services Employment and Reemployment Rights Act of 1994 (USERRA)

Continuation of Benefits: Covered employees who are absent due to service in the uniformed services and/or their covered dependents may continue coverage under USERRA for up to 24 months after the date the covered employee is first absent due to uniformed service duty. To continue coverage under USERRA, covered employees and/or their dependents should contact their Employer.

Eligibility: A covered employee is eligible for continuation under USERRA if he or she is absent from employment because of service in the uniformed services as defined in USERRA. This includes voluntary or involuntary performance of duty in the Armed Forces, Army National Guard, Air National Guard or the commissioned corps of the Public Health Service. Duty includes absence for active duty, active duty for training, initial active duty for training, inactive duty training and for the purpose of an examination to determine fitness for duty.

Covered employees and dependents who have coverage under the Plan immediately prior to the date of the covered employee's covered absence are eligible to elect continuation under USERRA.

Contribution Payment: If continuation of Plan coverage is elected under USERRA, the covered employee or covered dependent is responsible for payment of the applicable cost of COBRA coverage. If, however, the covered employee is absent for not longer than 31 calendar days, the cost will be the amount the covered employee would otherwise pay for coverage (at employee rates). For absences exceeding 31 calendar days, the cost may be up to 102% of the cost of coverage under the Plan. This includes the covered employee's share and any portion previously paid by the Employer.

Duration of Coverage: Elected continuation coverage under USERRA will continue until the earlier of:

- 24 months, beginning the first day of absence from employment due to service in the uniformed services;
- the day after the covered employee fails to apply for or return to employment as required by USERRA, after completion of a period of service;
- the early termination of USERRA continuation coverage due to the covered employee's court-martial or dishonorable discharge from the uniformed services; or
- the date on which this Plan is terminated so that the covered employee loses coverage.

Covered employees should contact their Employer with any questions regarding continuation coverage and notify the Employer of any changes in marital status or a change of address.

Reemployment: An individual whose coverage under the Plan was terminated by reason of service in the uniformed services and who did not continue coverage during leave must, nevertheless, be entitled to reinstatement of coverage upon reemployment.

Termination of Coverage

Your coverage and that of your eligible dependents ceases on the earliest of the following dates:

- a) The end of the month in which (1) you cease to be eligible; (2) your dependent is no longer eligible as a dependent under the Program.
- b) On the date the Program is terminated.
- c) On the date the Client terminates the Program by failure to pay the required Client Subscriber payments, except as a result of inadvertent error.

For extended eligibility, see Continuation of Coverage.

The Client or Plan Sponsor reserves the right to terminate the Plan, in whole or in part, at any time (subject to applicable collective bargaining agreements). Termination of the Plan will result in loss of benefits for all covered persons. If the Plan is terminated, the rights of the Plan Participants are limited to covered expenses incurred before termination.

Continuation of Coverage (COBRA)

Dental benefits may be continued should any of the following events occur, provided that at the time of occurrence this Program remains in effect and you or your spouse or your dependent child is a Covered Person under this Program:

QUALIFYING EVENT	WHO MAY CONTINUE	MAXIMUM CONTINUATION PERIOD
Employment ends, retirement, leave of absence, lay-off, or employee becomes ineligible (except gross misconduct dismissal)	Employee and dependents	Earliest of: 1. 18 months, or 2. Enrollment in other group coverage or Medicare, or 3. Date coverage would otherwise end.
Divorce, marriage dissolution, or legal separation	Former Spouse and any dependent children who lose coverage	Earliest of: 1. 36 months or 2. Enrollment date in other group coverage or Medicare, or 3. Date coverage would otherwise end.
Death of Employee	Surviving spouse and dependent children	Earliest of: 1. 36 months or 2. Enrollment date in other group coverage or Medicare, or 3. Date coverage would otherwise end.
Dependent child loses eligibility	Dependent child	Earliest of: 1. 36 months, 2. Enrollment date in other group coverage or Medicare, or

		3. Date coverage would otherwise end.
Dependents lose eligibility due to Employee's entitlement to Medicare	Spouse and dependents	Earliest of: 1. 36 months, 2. Enrollment date in other group coverage or Medicare, or 3. Date coverage would otherwise end.
Employee's total disability	Employee and dependents	Earliest of: 1. 29 months or 2. Date total disability ends or 3. Enrollment date in other group coverage or Medicare.
Retirees of employer filing Chapter 11 bankruptcy (includes substantial reduction in coverage within 1 year of filing)	Retiree and dependents	Earliest of: 1. Enrollment date in other group coverage, or 2. Death of retiree or dependent electing COBRA.
Surviving Dependents of retiree on lifetime continuation due to the bankruptcy of the employer	Surviving Spouse and dependents	Earliest of: 1. 36 months following retiree's death, or 2. Enrollment date in other group coverage.

You or your eligible dependents have 60 days from the date you lose coverage, due to one of the events described above, to inform the Client that you wish to continue coverage; except that, in the case of death of an eligible employee, such notification period to continue coverage shall be 90 days.

1. Choosing Continuation

If you lose coverage, your employer's COBRA Administrator (Administration Resources Consulting) must notify you of the option to continue coverage within 14 days after employment ends. If coverage for your dependent ends because of divorce, legal separation, or any other change in dependent status, you or your covered dependents must notify your COBRA Administrator within 60 days.

You or your covered dependents must choose to continue coverage by notifying the Administrator in writing. You or your covered dependents have 60 days to choose to continue, starting with the date of the notice of continuation or the date coverage ended, whichever is later. Failure to choose continuation within the required time period will make you or your covered dependents ineligible to choose continuation at a later date. You or your covered dependents have 45 days from the date of choosing continuation to pay the first continuation charges. After this initial grace period, you or your covered dependents must pay charges monthly in advance to the employer to maintain coverage in force.

Charges for continuation are the group rate plus a two percent administration fee. All charges are paid directly to Administration Resources Consulting. If you or your covered dependents are totally disabled, charges for continuation are the group rate plus a two percent administration fee for the first 18 months. For months 19 through 29, the employer may charge the group rate plus a 50 percent administration fee.

2. Second qualifying event

If a second qualifying event occurs during continuation, a dependent qualified beneficiary may be entitled to election rights of their own and an extended continuation period. This rule only applies when

the initial qualifying event for continuation is the employee's termination of employment, retirement, leave of absence, layoff, or reduction of hours.

When a second qualifying event occurs such as the death of the former covered employee, the dependent must notify the employer of the second event within 30 days after it occurs in order to continue coverage. In no event will the first and second period of continuation extend beyond the earlier of the date coverage would otherwise terminate or 36 months.

A qualified beneficiary is any individual covered under the health plan the day before the qualified event as well as a child who is born or placed for adoption with the covered employee during the period of continuation coverage.

3. Terminating Continuation of Coverage - COBRA

Continuation of Coverage - COBRA for you and your eligible dependents, if selected, shall terminate on the last day of the month in which any of the following events first occur:

- a) The expiration of the specified period of time for which Continuation of Coverage - COBRA can be maintained; as mandated by applicable State or Federal law;
- b) This Program is terminated by the Client Subscriber;
- c) The Client Subscriber's or Covered Person's failure to make the payment for the Covered Person's Continuation of Coverage

Questions regarding Continuation of Coverage - COBRA should be directed to your employer. Your employer will explain the regulations, qualifications and procedures required when you continue coverage.

PLAN PAYMENTS

Participating Dentist Network

A Delta Dental Premier dentist is a dentist who has signed a participating and membership agreement with his/her local Delta Dental Plan. The dentist has agreed to accept Delta Dental's Maximum Amount Payable as payment in full for covered dental care. Delta Dental's Maximum Amount Payable is a schedule of fixed dollar maximums established solely by Delta Dental for dental services provided by a licensed dentist who is a participating dentist. You will be responsible for any applicable deductible and coinsurance amounts listed in the Summary of Dental Benefits section. A Delta Dental Premier dentist has agreed not to bill more than Delta Dental's allowable charge. A Delta Dental Premier dentist has also agreed to file the claim directly with Delta Dental.

A Delta Dental PPO network dentist is a dentist who has signed Delta Dental PPO agreement with Delta Dental of Minnesota. The dentist has agreed to accept the Delta Dental PPO Maximum Amount Payable as payment in full for covered dental care. You will be responsible for any applicable deductible and coinsurance amounts listed in the Summary of Dental Benefits section. A Delta Dental PPO dentist has agreed not to bill more than the Delta Dental PPO Maximum Amount Payable. A Delta Dental PPO dentist has also agreed to file the claim directly with Delta Dental.

Names of Participating Dentists can be obtained, upon request, by calling Delta, or from the Plan's internet web site at www.deltadentalmn.org. Refer to the General Information section of this booklet for detailed information on how to locate a participating provider using the Plan's internet web site.

Covered Fees

Under this Program, YOU ARE FREE TO GO TO THE DENTIST OF YOUR CHOICE. You may have additional out-of-pocket costs if your dentist is not a participating Delta Dental PPO or Delta Dental Premier

dentist with the plan. There may also be a difference in the payment amount if your dentist is not a participating dentist with Delta. This payment difference could result in some financial liability to you. The amount is dependent on the nonparticipating dentist's charges in relation to the Table of Allowances determined by Delta Dental.

TO AVOID ANY MISUNDERSTANDING OF BENEFIT PAYMENT AMOUNTS, ASK YOUR DENTIST ABOUT HIS OR HER NETWORK PARTICIPATION STATUS WITHIN THE DELTA DENTAL PPO AND DELTA DENTAL PREMIER NETWORKS PRIOR TO RECEIVING DENTAL CARE.

Notice of Claim

Written notice of claim must be given to Delta Dental within 20 days after the occurrence or commencement of any loss covered by the Policy, or as soon thereafter as is reasonably possible. Notice given by or on behalf of the Policyholder or the beneficiary shall be presented to Delta Dental at P.O. Box 9120, Farmington Hills, MI 48333-9120.

Claim Forms

Delta Dental, upon receipt of a notice of claim, will furnish to you such forms as are usually furnished for filing proofs of loss. If we do not give you these forms within 15 days after you have filed your notice of claim, you shall be deemed to have complied with the requirements of this policy.

Claim Payments

PAYMENTS ARE MADE BY THE PLAN ONLY WHEN THE COVERED DENTAL PROCEDURES HAVE BEEN COMPLETED. THE PLAN MAY REQUIRE ADDITIONAL INFORMATION FROM YOU OR YOUR PROVIDER BEFORE A CLAIM CAN BE CONSIDERED COMPLETE AND READY FOR PROCESSING. IN ORDER TO PROPERLY PROCESS A CLAIM, THE PLAN MAY BE REQUIRED TO ADD AN ADMINISTRATIVE POLICY LINE TO THE CLAIM. DUPLICATE CLAIMS PREVIOUSLY PROCESSED WILL BE DENIED.

ANY BENEFITS PAYABLE UNDER THIS PLAN ARE NOT ASSIGNABLE BY ANY COVERED PERSON OR ANY ELIGIBLE DEPENDENT OF ANY COVERED PERSON.

Delta Dental Premier Dentists:

Claim payments are based on the Plan's Payment Obligation which is the highest fee amount Delta Dental approves for dental services provided by a Delta Dental Premier dentist to a Delta Dental covered patient. The Plan Payment Obligation for Delta Dental Premier dentists is the lesser of: (1) The Maximum Amount Payable as determined by Delta Dental; or (2) The fee charged or accepted as payment in full by the Delta Dental Premier dentist regardless of the amount charged. All Plan Payment Obligations are determined prior to the calculation of any patient co-payments and deductibles as provided under the patient's Delta Dental program.

Delta Dental PPO Dentists:

Claim payments are based on the Plan's Payment Obligation which is the highest fee amount Delta Dental approves for dental services provided by a Delta Dental PPO dentist to a Delta Dental covered patient. The Plan Payment Obligation for Delta Dental PPO dentists is the lesser of: (1) The Delta Dental PPO Maximum Amount Payable as determined by Delta Dental; or (2) The fee charged or accepted as payment in full by the Delta Dental PPO dentist regardless of the amount charged. All Plan Payment Obligations are determined prior to the calculation of any patient co-payments and deductibles as provided under the patient's Delta Dental program.

Nonparticipating Dentists:

Claim payments are based on the Plan's Payment Obligation, which for nonparticipating dentists is the treating dentist's submitted charge or the Table of Allowances established solely by Delta Dental, whichever is less. The Table of Allowances is a schedule of fixed dollar maximums established by Delta Dental for services rendered by a licensed dentist who is a nonparticipating dentist. Claim payments are sent directly to the Covered Person.

THE COVERED PERSON IS RESPONSIBLE FOR ALL TREATMENT CHARGES MADE BY THE NONPARTICIPATING DENTIST. WHEN SERVICES ARE OBTAINED FROM A NONPARTICIPATING PROVIDER, ANY BENEFITS PAYABLE UNDER THE CLIENT CONTRACT ARE PAID DIRECTLY TO THE COVERED PERSON.

Coordination of Benefits (COB)

If you or your dependents are eligible for dental benefits under this Program and under another dental program, benefits will be coordinated so that no more than 100% of the Plan Payment Obligation is paid jointly by the programs. The Plan Payment Obligation is determined prior to calculating all percentages, deductibles and benefit maximums.

The Coordination of Benefits provision determines which program has the primary responsibility for providing the first payment on a claim. In establishing the order, the program covering the patient as an employee has the primary responsibility for providing benefits before the program covering the patient as a dependent. If the patient is a dependent child, the program with the parent whose month and day of birth falls earlier in the calendar year has the primary payment responsibility. If both parents should have the same birth date, the program in effect the longest has the primary payment responsibility. If the other program does not have a Coordination of Benefits provision, that program most generally has the primary payment responsibility.

NOTE: When Coordination of Benefits applies for dependent children, provide your dentist with the birth dates of both parents.

Claim and Appeal Procedures

Initial Claim Determinations

All claims should be submitted within 12 months of the date of service. An initial benefit determination on your claim will be made within 30 days after receipt of your claim. You will receive written notification of this benefit determination. The 30-day period may be extended for an additional 15 days if the claim determination is delayed for reasons beyond our control. In that case, we will notify you prior to the expiration of the initial 30-day period of the circumstances requiring an extension and the date by which we expect to render a decision. If the extension is necessary to obtain additional information from you, the notice will describe the specific information we need, and you will have 45 days from the receipt of the notice to provide the information. Without complete information, your claim will be denied.

Appeals

In the event that we deny a claim in whole or in part, you have a right to a full and fair review. Your request to review a claim must be in writing and submitted within 180 days from the claim denial. We will make a benefit determination within 60 days following receipt of your appeal.

Your appeal must include your name, your identification number, Client number, claim number, and dentist's name as shown on the Explanation of Benefits. Send your appeal to:

Delta Dental of Minnesota
Attn: Professional Services Appeal & Grievances
PO Box 30416
Lansing, MI 48909

You may submit written comments, documents, or other information in support of your appeal. You will also be provided, upon request and free of charge, reasonable access to and copies of all relevant records used in making the decision. The review will take into account all information regarding the denied or reduced claim (whether or not presented or available at the initial determination) and the initial determination will not be given any weight.

The review will be conducted by someone different from the original decision-makers and without deference to any prior decision. Because all benefit determinations are based on a preset schedule of dental services eligible under your plan, claims are not reviewed to determine dental necessity or appropriateness. In all cases where professional judgment is required to determine if a procedure is covered under your plan's schedule of benefits, we will consult with a dental professional who has appropriate training and experience. In such a case, this professional will not be the same individual whose advice was obtained in connection with the initial adverse benefit determination (nor a subordinate of any such individual). In addition, we will identify any dental professional whose advice was obtained on our behalf, without regard to whether the advice was relied upon in making the benefit determination. If, after review, we continue to deny the claim, you will be notified in writing.

To the extent your plan is covered by ERISA, after you have exhausted all appeals, you may file a civil action under section 502(a) of ERISA.

Authorized Representative

You may authorize another person to represent you and with whom you want us to communicate regarding specific claims or an appeal. However, no authorization is required for your treating dentist to make a claim or appeal on your behalf. The authorization form must be in writing, signed by you, and include all the information required in our Authorized Representative form. This form is available at our web site or by calling Customer Service. You can revoke the authorized representative at any time, and you can authorize only one person as your representative at a time.

GENERAL INFORMATION

Health Plan Issuer Involvement

The benefits under the Plan are not guaranteed by Delta under the Contract. As Claims Administrator, Delta pays or denies claims on behalf of the Plan Administrator and reviews requests for review of claims as described in the Claim and Appeals Procedures section.

Privacy Notice

Delta Dental of Minnesota will not disclose non-public personal financial or health information concerning persons covered under our dental benefit plans to non-affiliated third parties except as permitted by law or required to adjudicate claims submitted for dental services provided to persons covered under our dental benefit plans.

How to Find a Participating Dentist

A real-time listing of participating dentists is available in an interactive directory at the Plan's user friendly web site, www.deltadentalmn.org. The Plan highly recommends use of the web site for the most accurate network information. Go to <http://www.deltadentalmn.org/find-a-dentist> and enter either your zip code, city or state to find local participating dentists. You can also search by dentist or clinic name. The Web site also allows you to print out a map directing you to the dental office you select. **The Find A Dentist Search is an accurate and up-to-date way to obtain information on participating dentists.**

To search for and verify the status of participating providers, select "Find A Dentist" on the www.deltadentalmn.org home page. Select the Product or Network in the drop-down menu, and search by

city and state, zip code or provider or clinic name. If your dentist does not participate in the network, you may continue to use that dentist, although you will share more of the cost of your care and could be responsible for dental charges up to the dentist's full billed amount.

If you do not have Internet access, other options are available to find a network dentist or verify that your current dentist is in the network.

- When you call to make a dental appointment, always verify the dentist is a participating dentist. **Be sure to specifically state that your employer is providing the Dental program.**
- Contact our Customer Service Center at: (800) 448-3815. Customer Service hours are 7 a.m. to 7 p.m., Monday through Friday, Central Time.

Using Your Dental Program

Dentists who participate with Delta Dental under this Program are independent contractors. The relationship between you and the participating dentist you select to provide your dental services is strictly that of provider and patient. Delta Dental cannot and does not make any representations as to the quality of treatment outcomes of individual dentists, nor recommends that a particular dentist be consulted for professional care.

All claims should be submitted within 12 months of the date of service.

If your dentist is a participating dentist, the claim form will be available at the dentist's office.

If your dentist is nonparticipating, claim forms are available by calling:

Delta Dental of Minnesota - (651) 406-5901 or (800) 448-3815

The Plan also accepts the standard American Dental Association (ADA) claim form used by most dentists.

The dental office will file the claim form with the Plan; however, you may be required to assist in completing the patient information portion on the form (Items 1 through 14).

During your first dental appointment, it is very important to advise your dentist of the following information:

- * YOUR DELTA DENTAL CLIENT NUMBER
- * YOUR EMPLOYER (CLIENT NAME)
- * YOUR IDENTIFICATION NUMBER (your dependents must use **YOUR** Identification number)
- * YOUR BIRTHDAY AND THE BIRTH DATES OF YOUR SPOUSE AND DEPENDENT CHILDREN

Cancellation and Renewal

The Program may be canceled by the Plan only on an anniversary date of the Client Dental Plan Contract, or at any time the Plan Administrator fails to make the required payments or meet the terms of the Contract.

Upon cancellation of the Program, Covered Persons of the Client have no right to continue coverage under the Program or convert to an individual dental coverage contract.

If you have any questions about this Program, contact the Plan Administrator who is listed in the inside front cover of this brochure.

Statement of ERISA Rights

As a participant in the Program, you are entitled to certain rights and protection under the Employee Retirement Income Security Act of 1974 (ERISA). ERISA provides that all plan participants shall be entitled to:

1. Examine without charge at the Plan Administrator's office and at other specified locations such as work sites and union halls, all Plan documents, including insurance contracts, and copies of all documents such as detailed annual reports and Plan descriptions filed by the Plan with the U.S. Department of Labor.
2. Obtain copies of all Plan documents and other Plan information upon written request to the Plan Administrator. The Plan Administrator may make a reasonable charge for the copies.
3. Receive a summary of the Plan's annual financial report. The Plan Administrator is required by law to furnish each participant with a copy of this summary annual report.

In addition to creating rights for Plan participants, ERISA imposes duties upon the people who are responsible for the operation of the employee benefit plan. The people who operate your Plan, called "fiduciaries" of the Plan, have a duty to do so prudently and in the interest of you and other plan participants and beneficiaries. No one, including your Client, your union, or any other person, may fire you or otherwise discriminate against you in any way to prevent you from obtaining welfare benefits or exercising your rights under ERISA. If your claim for a welfare benefit is denied in whole or in part, you must receive a written explanation of the reason for the denial. You have the right to have the Plan review and reconsider your claim.

Under ERISA, there are steps you can take to enforce the above rights. For instance, if you request materials from the Plan and do not receive them within 30 days, you may file suit in a federal court. In such a case, the court may require the Plan Administrator to provide the materials and pay you up to \$110.00 a day until you receive the materials, unless the materials were not sent because of reasons beyond the control of the Plan Administrator. If you have a claim for benefits which is denied or ignored, in whole or in part, you may file suit in a state or federal court. If it should happen that plan fiduciaries misuse the Plan's money, or if you are discriminated against for asserting your right, you may seek assistance from the U.S. Department of Labor, or you may file suit in a federal court. The court will decide who should pay court costs and legal fees. If it finds your claim is frivolous, you will be responsible for these costs and fees. If

you have any questions about your Plan, you should contact the Plan Administrator. If you have any questions about this statement or your rights under ERISA, you should contact the nearest office of the Employee Benefits Security Administration, U.S. Department of Labor, listed in your telephone directory or the Division of Technical Assistance and Inquiries, Employee Benefits Security Administration, U.S. Department of Labor, 200 Constitution Avenue N.W. Washington, D.C. 20210. You may also obtain certain publications about your rights and responsibilities under ERISA by calling the publications hotline of the Employee Benefits Security Administration.
